FILE COVERS 1964 TO 8 Apr 2002 (20020408/ED)

This database is provided on an "as is" basis. Users should consult original source material. THERE ARE NO WARRANTIES OF ANY KIND, EITHER EXPRESSED OR IMPLIED. Elsevier Engineering Information will not be liable for any loss of profit, goodwill or any other damages arising out of use of this database.

CAUTION: Some displays of the LT field are extremely long. Enter NEWS FILE at the arrow prompt for more information.

The Indexing Template (TD) field is available for some records starting with 940901/ED. Enter HELP TEMPLATE at an arrow prompt (=>) for information on how to use this field.

This file contains CAS Registry Numbers for easy and accurate substance identification.
